

Preserving the West's wide open spaces, wildlife habitat, and farming and ranching heritage by providing sustainable solutions that promote environmental stewardship and rural economic prosperity

LIVINGSTON FARMERS MARKET

Every Wednesday, June 2nd – Sept 15th, 2021 4:30 – 7:30 PM

Increases Access to Healthy Local Food by:

- Offering vegetables, fruit, honey, eggs, flowers, and starter plants from 35 farmers and backyard gardeners in 2020 alone.
- Offering beef, pork, and lamb from regional ranch operations when available.
- Giving 82 low-income seniors \$50 vouchers to spend on fresh produce and honey in 2020.

Fuels the Rural Economy by:

- Providing a market for about 230 farmers, ranchers, and artisans each year, with as many as 102 vendors in a single day!
- Generating nearly \$250,000 in sales for vendors each year, which is then spent locally.
- Giving new businesses a chance to get off the ground and develop a customer base.
- Giving Young Entrepreneurs a chance to gain business skills and earn money by creating and selling products at the market.
- Keeping shopping \$\$\$ local by attracting nearly 10% of the Livingston community to the market each week.

Supports Livingston & Park County by:

- Showcasing community services.
- Providing valuable information about the area.
- Allowing area nonprofits to promote their mission.
- Educating people about the importance of healthy soil and grasslands for reducing carbon.
- Reducing waste to our landfills by requiring food vendors to use compostable take-out ware only.
