

LIVINGSTON FARMERS MARKET

TOKEN SYSTEM

A Guide For Vendors

**LIVINGSTON
FOOD RESOURCE CENTER**
FOOD PANTRY • COMMUNITY KITCHEN

By using this market currency, we are enhancing our community's access to fresh fruits and vegetables while supporting local agriculture.

HOW IT WORKS:

1 Customers will get their tokens from **LFRC'S healthy families tent** (located @ the south west side of the market)

2 These tokens can then be used to purchase eligible food products from the vendors.

◆ **NOTE:** Customers cannot receive cash change for token purchases ◆
